

Product Data Sheet

HD 6/13 C+ & HD 6/13 CX+

Cold water pressure cleaners for daily commercial use.

Designed for high performance cleaning of machinery, vehicles or yards on a daily basis. High water flow and pressure rates ensure thorough cleaning results even with stubborn dirt, while the variable pressure and water flow rate ensure quick, efficient results. Featuring a dirtblaster nozzle for faster cleaning of tough dirt, and a three-way nozzle that enables the water jet to be adjusted quickly between a high-pressure pencil jet, a high-pressure fan jet and a low-pressure fan jet. Ideal for fast and tough cleaning jobs on the farm, in the workshop and in car fleets and dealerships.

HD 6/13 C +

HD 6/13 CX +

Features and Benefits:

- Integrated hose reel with 15m high-pressure hose. (CX version only)
- 3 piston axial pump with brass water inlet and cylinder head for long service life.
- Automatic pressure controlled shutdown upon trigger release for low energy consumption.
- Adjustable aluminium push handle provides easy manoeuvrability and accessory storage.
- Easy Press trigger gun, ergonomically shaped to reduce operator fatigue.
- Integrated accessory storage on the back of the unit with additional cable fixing.
- Dirtblaster nozzle increasing cleaning performance and covering a larger area.
- Triple nozzle providing optimum cleaning flexibility and effortless change over of cleaning jets.
