

Product Data Sheet

NT 27/1 & NT 27/1 Me

All-purpose vacuum cleaners built for demanding cleaning applications.

Inexpensive, robust all-purpose vacuum cleaners for professional applications, perfect for the automotive crafts and trades. The NT 27/1 can pick up large quantities of wet or dry dirt, and is designed to accommodate all accessories and a power cable on the unit. The cover is also designed to double up as a storage area for tools and accessories. Two versions are available, impact resistant plastic or corrosion free metal casing (Me) to suit your needs. The ergonomically designed carrying handle makes the unit easy and convenient to transport.

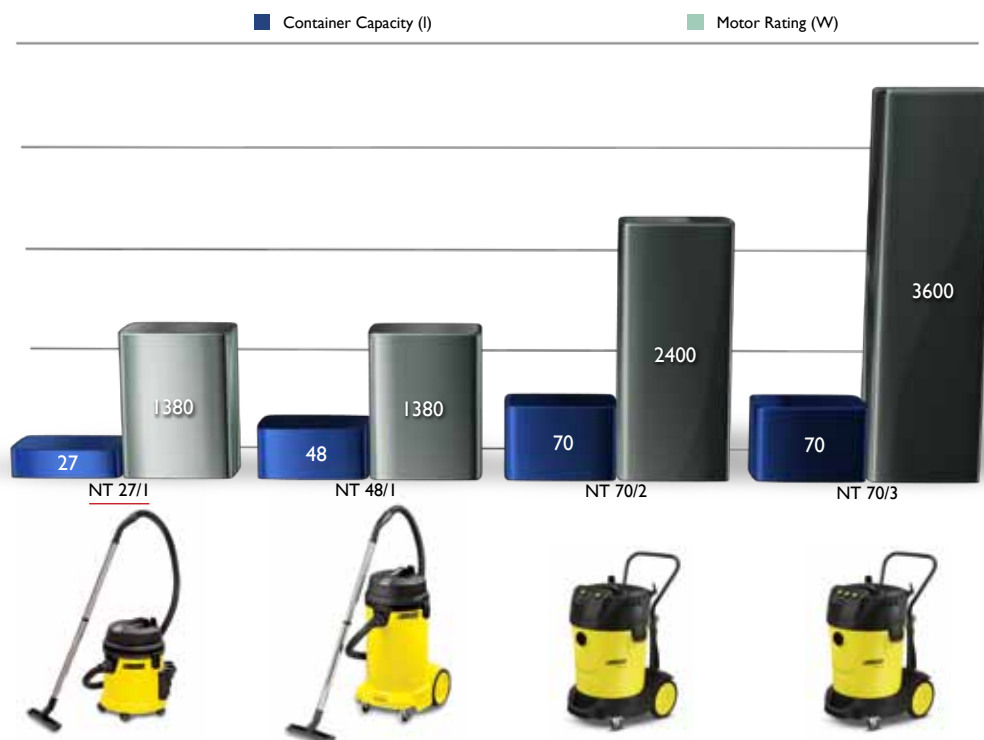

Features and Benefits:

- Mechanical float system cuts off vacuum motor as soon as the container is full.
- Practical Clip System for easy accessory changes.
- Accessory holder and cable hook as well as flat top surface for tools etc.
- 5 smooth running swivel castors ensure excellent mobility and stability.
- Large On/Off switch for easy operation.
- Optional metal container (Me version)
